

All across the Diocese we are building the capacity within our congregations to Lead, Grow, Share. The Campaign for Congregational Development aims to empower and equip the Diocese, through our 68 congregations, to nurture and continue the following ministries:

LEAD: Provide training through the Church Development Institute and development opportunities such as intensive Conflict Management and Emotional Intelligence workshops to equip lay and ordained leaders to create and sustain strong healthy congregations.

GROW: Establish signature ministries in our local communities, identify opportunities for growth in congregations, and plant new churches.

SHARE: Share the body of Christ with youth and young adults, spreading the good news of the Gospel to current and future young leaders of the church.

What is our goal?

\$1.2M Funding Goal*

LEAD: \$400,000 GROW: \$500,000 SHARE: \$300,000

Goals developed based on the funding needed for existing and future ministries across a five-year timeline.

*adds to the \$1.7M previously raised to amount to a total goal of \$3M

Why?

- Get out beyond our church walls and commitment to spread the gospel and love of God throughout our communities
- Enable each other to become effective agents of the good news of God in Jesus Christ
- Establish funding to continue and expand the good work already begun in this ministry across the Diocese.
