Applicant's Agreement:

My sponsor has informed me of the general content and schedule of the weekend which includes formational talks about a method for living out my life in Christ, daily worship, small-group discussion, time for reflection, and spiritual direction as well as times for music and laughter and fun. My sponsor has explained the accommodations and meals that are provided and has informed me of what personal items I will need to take. We have discussed the importance of Group Reunion, and I understand the expectation that I will attend the Day of Deeper Understanding that occurs about a month after the weekend ends, be active in a reunion group and Ultreya as one becomes available. I understand that I may apply for a scholarship with my sponsor's assistance. My sponsor has agreed to provide transportation and other assistance that I may require, has answered all my questions openly and thoroughly, and has promised to be in prayer for me before, during and after the weekend. He or she is committed to attending the Day of Deeper Understanding with me.

Furthermore,

- I understand that my cost of the weekend is \$90.00 and that it will be due at Honey Creek upon my arrival for the weekend (make all checks to "Cursillos in Christianity, Diocese of Georgia"). The remaining cost is underwritten by the Cursillo community and the diocese.
- I understand that all rooms, including bedrooms, are smoke-free and I will comply with this;
- I understand that my sponsor will complete his/her part of this application and mail it;
- I am a baptized Christian, active in my parish and desire to grow in my life in Christ.
- I also commit to attend the Day of Deeper Understanding on April 1, 2017 and to participate in a reunion group following the Cursillo weekend.
- Cursillo is an individual experience and while it is recommended that spouses attend together, history has shown that spouses who stay in separate rooms have a deeper experience. As a result, it is recommended that participants be roomed with another participant of the same gender.

I am willing to be assigned a roommate of the same gender

I prefer to room with my spouse.
