COVID PROTOCOL

Due to the health risks associated with COVID-19 we are continuing health requirements that were begun last summer in order to reduce risks for everyone during all Cursillo Events. Because the health situation is fluid, additional requirements may be added.

Requirements include, but are not limited to:

- **COVID-19 VACCINATION IS REQUIRED TO ATTEND DIOCESAN EVENTS, INCLUDING CURSILLO.** This means that participants must be two or more weeks past the final shot of their vaccination series and boosted if eligible.
- **Every participant must obtain a negative Covid test within 96 hours of the start of the event.** (i.e. - test on Monday or later for an event that starts on a Thursday). These results must be submitted before the start of the event, ideally by email or text. At-home antigen tests (such as BinaxNow or On/Go, etc.) are acceptable. Tests will be available on site if you have not already gotten a negative result, but please be aware that if it shows positive, you will have to return home..
- **Masks must be worn while inside except while sleeping or eating (including while in dorms)**
- **Registration numbers will be limited, in order to do allow for some distancing.**
