

Dear

Enclosed you will find the forms to be used for your participation in the 2010 Mutual Ministry Review of the Church of the Good Shepherd. Please begin by reading the cover document of your package titled, *Mutual Ministry Review at Church of the Good Shepherd*. This explains the goal and rationale of the process we are following as stewards of the ministry entrusted to us.

Please take time to say the prayer that is offered as you begin to respond to the questions on each of the forms. You may not have any comments to make on some of the questions, which is fine. When you have completed these documents, put them in the envelope and return them to the parish office.

Tom Smyth will compile all of the documents prior to scheduling with the Rector and the Staff the times for their individual meetings. The Rector will schedule meetings at the conclusion of the process for final reports to the Vestry and Staff.

Please return the forms to the parish office not later than June 14. Individual meetings of Staff with the Rector will be scheduled during the week of June 21-25. Thank you for your participation in this important work of reflection and review.

At the end of this process we will ask for feedback and suggestions for improving the 2011 Mutual Ministry Review.

Faithfully,

Tom Smyth
Convener
